

# Control Battery Technology Co Ltd

CHAM Battery Technology create leading products through application scenarios. Tel. 0769-23836666. E-mail. info@cham .cn. Address . No.9 Industrial West Third Road, Songshan Lake Park, Dongguan, Guangdong Province, China. View the map. Leave a message. Customer. Media. Event Organizer. Miscellaneous. Company name \* Industry. Name \* Country \* E-mail \* ...

ALL IN ONE Battery Technology Co.,Ltd. ALL IN ONE was established in 2010 since then we were specialized in manufacturing NiMH, Li-ion Batteries. ALL IN ONE is one of the largest manufacturer of high C-rate and high capacity batteries manufacturer in China. Our factory is located in Shucheng Economic Development Zone Luan, Anhui Province China...

Wuxi Bellhope Technology Co., Ltd. is a high-tech enterprise engaged in the research, production, and sales of power lithium battery protection boards, controllers, and charging solutions. The company is located in the picturesque Shuofang Town, New District of Wuxi, only 2km away from Sunan Shuofang Airport, with convenient transportation ...

CBB is a China industrial battery manufacturer on the frontline, fueling discussions, educating suppliers and providing facts and figures to support the energy storage revolutions, providing deep cycle battery, AGM battery, GEL battery, Solar battey, etc..

Ningbo Bodawutong Battery Technology Co., Ltd. is a high-tech enterprise that incorporates design, R& D, production, marketing and service, with battery technology as our nucleus, and battery production equipment,paneraiblog battery products and battery parts & components as our major businesses. It is located in a geographically prominent position Ningbo ...

Hunan Group Control Energy Technology Co., Ltd.(GCE) is a high-tech company specializing in the research and development of BMS and lithium battery peripheral equipment. The high-performance intelligent lithium battery management system produced by our company adopts the international leading technology, which greatly improves the battery ...

Hunan group control energy technology Co., Ltd. (GCE) is a high-tech company specializing in the research and development of BMS and lithium battery peripheral equipment.working in the factory:The high-performance intelligent ...

Shenzhen Lidea Battery Co., Ltd. is a joint venture which was invested by Malak Group Co., Ltd. in 2006. We are specialized in the research and development, production of lithium coin cell battery. The production base covers an area more than 5000 m2, which is equipped with advanced auto production lines and testing equipments. Our products adopt domestic and foreign high- ...

# Control Battery Technology Co Ltd

Founded in 2001, CBAK Energy Technology, Inc. (Nasdaq: CBAT) is a leading high-tech enterprise engaged in the development, manufacturing, and sales of new energy high power lithium batteries. CBAK Energy is the first lithium battery manufacturer in China listed on the Nasdaq Stock Market.

Guangdong Qiantu Battery Technology Co., Ltd. (referred to as Qiantu Battery Technology) is located in Room 101, Building 6, Modern Enterprise Accelerator, Songshan Lake, Dongguan City, Guangdong Province. It is a joint venture between Weiming Battery Technology and Dingfeng Cobalt Technology, which specializes in drone batteries.

Shenzhen Xundian Intelligent Technology Co., Ltd. is a high-tech company specializing in R& D, production and sales of lithium battery protection boards, power battery management systems and energy storage battery control systems. With a senior technical research and development team and precision production equipment, we are committed to ...

PACE Technology is a high-tech enterprise specializing in the R& D, production and sales of lithium battery management system (BMS), and has participated in the formulation of standards for lithium batteries and BMS in the national communication industry for many times.

PACE Technology is a high-tech enterprise specializing in the R& D, production and sales of lithium battery management system (BMS), and has participated in the formulation of standards for lithium batteries and BMS in the national ...

We have 5 production lines and developed some high quality lithium ion battery products like 12V batteries, 24V batteries, 36V batteries, 48V batteries, 60V batteries and 72 batteries, these products widely applied on AGV, AMR, Robot, Telecom Base Station, Golf Trolley Cart, Forklift, E-rickshaw, Yacht, Fishing Boat, Motorhome etc.

4.PCB circuit control board  
4.Cut a roll of positive and negative sheet  
5 b-capacity cabinet battery ... Joy Battery Technology Co., Ltd. Contact Person: Mr. Eric. Tel: 86-755-36817358. Fax: 86-755-36817358-818. Send your inquiry directly to us (0 / 3000) Joy Battery Technology Co., Ltd . Bld.6,First Industrial Park,Fuyong street,Baoan District, Shenzhen,China. Tel: 86-755 ...

We have 5 production lines and developed some high quality lithium ion battery products like ...
