

Solar sun room construction price

How much does it cost to build a sunroom?

A 3-season room costs \$8,000 to \$50,000 to build, and a 4-season room costs \$20,000 to \$80,000 to add. A sun porch or prefab sunroom addition costs \$5,000 to \$30,000, and a glass solarium costs \$30,000 to \$150,000. Connect with home addition contractors near you for a personal estimate or view the average sunroom sizes and prices below.

How much does a sun room cost?

Typically, a four season sun room costs \$200-450 per square foot depending on local labor rates as well as quality of building materials and finishes you are using. Installing a three season sun room addition costs as little as \$85 - 250 per square foot. The cost of getting a sunroom can range significantly, depending on the type and size.

How much does a prefab sunroom cost?

Prefab sunrooms are built in a factory and then shipped to your home for assembly. After acquiring building permits, prefab sunrooms can be installed on top of a patio slab and sometimes on a wooden deck. Low-end DIY sunroom kits cost \$1,500 to \$5,000 on average. Shipping costs up to \$500. Most DIY sunroom kits are 3-season with a 5-year warranty.

How much does a sunroom addition cost?

The most popular sunroom sizes are 12'x12' and 16'x24'. Get free estimates from sunroom contractors near you. A sunroom addition costs \$100 to \$350 per square foot installed on average.

What factors affect the cost to build a sunroom?

The main factors that affect the cost to build a sunroom include the type and size of the sunroom, the cost of labor and permits, and the cost of materials. Building a sunroom has numerous benefits, such as a high return on investment, a year-round space for gardening, and additional light and living space.

How much does sunroom insulation cost?

Sunroom insulation costs \$300 to \$1,500 or \$1 to \$4 per square foot. Other insulation options are curtains, insulated panels, dual-pane windows, sub-deck protection, and sealing joints. A screen room or three-season sunroom doesn't require insulation. A sunroom roof costs \$500 to \$7,000, depending on the material.
